

Foyer Foundation

Service Subscription Offerings

The Foyer Foundation supports multi-level solutions that deliver better outcomes for young people.

1

It provides the following to agencies that operate or intend to operate Foyers in Australia:

- a Leading edge thinking on Foyer practice and service design;
- b Capacity building support and access to tools that assist in the delivery of good practice; and
- c The management of communities of practice that deliver ongoing quality improvement.

2

It provides the following to government, corporate and philanthropic agencies that fund the capital and recurrent spending requirements of operating or soon-to-be operating Foyers in Australia:

- a Research and policy development;
- b Aggregated national data on Foyer performance;
- c Nationally consistent processes for quality improvement;
- d Support in mobilising funding for the building and operation of new Foyers; and
- e Support in linking local, regional and national funding initiatives that target better outcomes for service connected young people.

The Foyer Foundation has a long term commitment to have 30 accredited Foyers operating in Australia by 2030. Achieving that will see Foyers, where they operate, become a key part of an individual community's integrated youth pathways. And across the nation it will see the Foyer Foundation create a vibrant learning network that is supported by clever data collection and an accreditation process that builds capacity and demonstrates outcomes for funders.
