

Vision

All young Australians experiencing disadvantage have a pathway to education, training and employment that is founded on access to stable and secure housing

Values

Heart

Advantaged Thinking

Innovation

Collaboration

Purpose

To promote the Foyer approach for the benefit of young Australians

Influence

Attract political, philanthropic, and community support for increased application of the Foyer approach

- 1.1** Create an evidence base that confirms the value of the Foyer approach
- 1.2** Consolidate and disseminate key information to advocate for the Foyer approach
- 1.3** Develop and maintain relationships with key government decision makers and other stakeholders.
- 1.4** Build a case for wider systems and policy reform based on the principles of the Foyer approach.

Quality

Lead a national agenda that ensures fidelity to the Foyer approach

- 2.1** Establish a transparent accreditation mechanism for application to new and existing Foyers.
- 2.2** Drive national standards improvement through the national Community of Practice.
- 2.3** Protect and enhance the brands of Foyer Foundation, Accredited Foyers, and Advantaged Thinking.

Capacity

Support the capacity of agencies and their staff to deliver the Foyer approach

- 3.1** Support the development of new Foyers
- 3.2** Support the workforce development and training for new and existing operators of Foyers
- 3.3** Leverage philanthropy and partnerships to support both the operating base of the Foyer Foundation and systemic innovation within the national Foyer movement
- 3.4** Leverage all community, business and service relationships across the Foyer movement.
